

# Traditional Japanese Toys おもちゃ

## Forces at Play

A force is a push or pull.  
Objects need a force to move.

### Investigation

For each toy, identify whether a push or pull force is required to work the toy.  
Draw a picture of the toy and use arrows to indicate the direction of the force.

Daruma Otoshi だるまおとし

Hagoita はごいた

Koma こま

Kendama けんだま

Taketonbo たけとんぼ
